New York, New York , April 15, 2026 (GLOBE NEWSWIRE) -- NewHold Investment Corp IV (the "Company"), a newly organized special purpose acquisition company formed as a Cayman Islands exempted company, today announced the closing of its initial public offering of 20,125,000 units at an offering price of \$10.00 per unit. This includes the exercise in full by the underwriters of their over-allotment option to purchase up to an additional 2,625,000 units. Each unit consists of one Class A ordinary share and one-third of one redeemable warrant. Each whole warrant, which becomes exercisable 30 days after the completion of the Company's initial business combination, will entitle the holder thereof to purchase one Class A ordinary share at \$11.50 per share. The units are listed on the Global Market tier of the Nasdaq Stock Market LLC ("Nasdaq") under the ticker symbol "NHIVU". No fractional warrants will be issued upon separation of the units and only whole warrants will trade. Once the securities comprising the units begin separate trading, the Class A ordinary shares and the warrants are expected to be traded on Nasdaq under the symbols "NHIV" and "NHIVW," respectively.

The Company intends to use the net proceeds from the offering, and the simultaneous private placement of units, to consummate the Company's initial business combination.
